

IMPORTANT INFORMATION FOR POTENTIAL CUSTOMERS OF: -

CTS Solutions Ltd T/A Asset Lofts Ref 2072
30 High Street Harefield Middlesex UB9 6BU

Overall Grading Of 91% Which Rates As Excellent, Monitored For 3449 Days

Before you instruct a builder for your project, take advantage of our FREE SERVICES and EXPERTISE.

The Better Business Group is the Original Continual Monitoring System for Builders, established in 1995. Over the past 28 years we've spoken to tens of thousands of customers and tracked their experiences with Builders.

As a potential customer of one of our Registered Builders we can provide you: -

Free background checks on the alternative builder you are considering.

Free advice on how to obtain like for like quotes.

Free guidance on how to avoid rogue traders.

Free information on the common ways builders' price cheap and then ramp the price up.

Free assistance on what to look out for in a contract.

Looking through the web you see many cut down copies of our service claiming to monitor Builders. Our unique Accreditus System of monitoring has been perfected over decades, and comprises of 6 steps: -

- 1. Personal Assessment**
- 2. Background Detrimental Financial Check**
- 3. Binding Disputes Procedure**
- 4. Public Liability Insurance Coverage**
- 5. Detailed Customer Surveys**
- 6. Continual Monitoring**

This ensures that consumers should be able to use our members with complete confidence, as they can only remain registered by the recommendation of previous customers.

CTS Solutions Ltd T/A Asset Lofts will be able to show you the comprehensive Rating Certificate we've compiled on them.

For any further help or advice, or if you require a free background check on alternative Builders you are considering using, please call us on 01707 859900 quoting reference 2072

I wish you well with your project.
